MEMORANDUM FOR THE RECORD

SUBJECT: GSA and DOJ Letters on H.R. 39 - Relaying of Agency
Comments to OMB

1. On April 8, 1985, I called Hilda Schrieber, Legislative Analyst, Office of Management and Budget (OMB).

2. I told her that the Agency had no objection to the General Services Administration (GSA) views letter on H.R. 39, the "Federal Polygraph Limitation and Anti-Censorship Act of 1984".

3. In regard to the Department of Justice views letter, I provided her with the comments of the Deputy Chief, Administrative Law Division, Office of General Counsel, and the Chairman, Security Committee as noted in their memoranda to this office.

4. I also told her that the Agency, of course, opposed H.R. 39 and wished to be included in any Administration-wide position statement on it. She stated that none was planned at this point. She suggested that the Agency could write its own unsolicited letter to Chairman Ford. I stated that the unsolicited nature of such a letter would give us pause.

5. She also stated that the Department of Treasury had prepared a response to the Ford letter which she had sent to the Agency for comment; she expected that we should be receiving it shortly.
